11       **Annual Statement Blank and Instructions**

12               (1) For the purpose of complying with ORS 731.574, every authorized insurer, including  
13 every health care service contractor **and multiple employer welfare arrangement**, shall file its  
14 financial statement required by ORS 731.574 for the [2010] **2011** reporting year on the annual  
15 statement blank approved for the [2010] **2011** reporting year by the National Association of  
16 Insurance Commissioners, for the type or types of insurance transacted by the insurer.

17               (2) Every authorized insurer, including every health care service contractor, shall  
18 complete its annual statement blank under section (1) of this rule for the [2010] **2011** reporting  
19 year, according to the applicable instructions published for that year by the National Association  
20 of Insurance Commissioners, for completing the blank, as required by ORS 731.574.

21               (3) Every authorized insurer, including every health care service contractor, shall file  
22 each annual statement supplement for the [2010] **2011** reporting year, as required by the  
23 applicable instructions published for that year by the National Association of Insurance  
24 Commissioners, and shall complete the supplement according to those instructions.

25               **(4) The applicable instructions published by the National Association of Insurance**  
26 **Commissioners referred to in this rules are available for inspection at the Insurance**  
27 **Division of the Department of Consumer and Business Services. Any person interested in**  
28 **inspecting those instructions should contact the Insurance Division using the contact**
