22                   **Registration Procedures**

23                   (1) A warrantor of a vehicle protection product shall register with the Department of  
24 Consumer and Business Services by submitting to the Director a completed Warrantor of  
25 Vehicle Protection Product Registration Application on the form prescribed by the Director.

26                   (2) A warrantor must include with the Registration Application a copy of each warranty  
27 form to be used in this state, and any amendments to the form that the warrantor proposes to use  
28 in the state of Oregon. A warrantor need not include any amendment that:

29                   (a) Changes a warranty only in graphics or form, and not substantively; or

30                   (b) Is a direct translation of the warranty form the warrantor proposes to use into a  
31 language other than English.

32                   (3) A warrantor must also include with the Registration Application a copy of a warranty  
33 reimbursement insurance policy the warrantor intends to use to demonstrate the warrantor's  
34 financial responsibility.

35                   (4) A warrantor must include the registration fee with the Registration Application.

36                   (5) A registration is not effective until the warrantor receives written notification from the  
37 Director.

38                   (6) A warrantor must renew a registration by submitting to the Director on or before  
39 December 31 of each calendar year the renewal fee and a completed Warrantor of Vehicle  
40 Protection Product Renewal Form on the form prescribed by the Director.

41                   (7) A warrantor shall notify the Director in writing of any change in the information  
42 contained in the Registration Application not later than 30 days after the information has  
43 changed.
