**RULE SUMMARY**

The National Council on Compensation Insurance (NCCI), the rating organization for workers' compensation insurance in Oregon, has issued a new edition of the Statistical Plan for Workers' Compensation and Employers Liability Insurance (Statistical Plan). The Statistical Plan is the governing compilation of workers' compensation and employers liability insurance statistics. This publication is adopted by reference in OAR 836-042-0045. The Insurance Division must now amend OAR 836-042-0045 to adopt by reference the new edition in order to recognize and apply the NCCI plan revisions. The new edition reformats the existing plan, clarifies existing rules, reorganizes loss and expense information, updated code values, and includes rule changes.
